“Dolce Stil Novo” modular *linking* table systems *...life is sweet!*

Dolce Stil Novo (Italian for “*sweet new style*”) is the name given to the most important literary movement of the 13th century in Italy, marking a true revolution in dignifying the use of Tuscan vernacular (soon destined to become the Italian National language) in exquisite literary works making them accessible to people and replacing Latin, which was non comprehensible anymore for most.

With the same revolutionary spirit, we introduce the **Dolce Stil Novo TABLES** which will make the storage, transportation and set up of banquet tables super easy, accessible and manageable for all:
you'll simply LOVE our SWEET NEW STYLE!!!

**from here to infinity...
or where ever
you need to
extend it!**

NO MORE inventories of bulky multiple sized & heavy to move tables. With our system... **one size fits all...**

“Dolce Stil Novo”

light duty easy to deploy and set up modular *LINKING*

rental & catering tables

Easy to deploy

- a massive chrome steel column, 27 1/4" long, slides into the 28" steel table base.
- a strong easy to maintain 30"x32" composite resin table top snaps into the column.

No tools required

Our composite polymer rectangular linking table top is available in beige, dark gray, white:

...very modular

tongue and groove style sliding in and out of the table top lets users add as many tables as needed to the banquet configuration... keeping the table tops level.

...simply add more...

Modules can be added in different directions to compose straight lines, corners, T-shapes.

SMART INVENTORY storage & transportation

Sturdy carts in different sizes let store table tops, columns and bases in a **COMPACT** unit, easy to move, secure with all parts accounted for.

Elle

Elle is built with the same components used in our portable modular banquet table system, providing a perfect matching stool readily available.

The composite multi-layer techno-polymer seat, is available in 4 colors:

- W [White]
- G [Light Gray]
- R [Red]
- B [Black]

Chrome metal leg,

24" steel spider base or
20" chrome trumpet base (footrest is optional)

Assembly

Assembly is extremely easy, the massive chrome steel column, slides into the stool base. The seat has a mounting plate that engages into the column.

No tools required.

modular Elle bar stools

...life is sweet!
