LOUIS FOLDING & STACKING CHAIRS

Louis folding and stacking chairs by Drake, shines with simple contemporary lines. They will better dominate the table set up due to the 41” tall back design. With their high decorative shape towering the tables and their contemporary style, will stand out and look fabulous whatever the setting. Used with additional decorations or simply bare, the Louis will bring event sophistication with the ease of handling of a folding chair. Louis chairs are folding, stacking (horizontally and vertically), and come equipped with an interlocking feature that makes moving and storing them quite simple. They are strong, durable, weatherproof, UV protected, don’t need painting and require very little maintenance.

EXTRA STRONG & LONG LASTING

Louis chairs are made of a dual density technopolymer. The result is another incredible, exceptionally strong, and good looking chair for the Special Event Market.

SMART DESIGN

The LOAD rests on the two bars supporting the seat, NOT on the screws as on similar chairs. All of our folding chairs must comply with a 500lb. of static vertical weight standard. FEDERAL SPECIFICATION AA-C-291F
